OFFICE OF THE
PLAGUE COMMISSIONER IN MYSORE.

DATED BANGALORE, 29th. April 1897.

By order of 20/4/97
No. 9608
Sur 2

FROM

THE PLAGUE COMMISSIONER IN MYSORE.

S. S. S. S.
To

The Secretary to the Government of
Mysore, Revenue and General Dept.
Bangalore.

SIR,

I have the honor to forward herewith
an amended form of observation notice
for the approval of Government and for
favor of the appendix of Govt. Not. No. 9383
m. 7. 21. 96
and No. 9384 dated 10th February 1898 being
m. 7. 21. 96
duly corrected. The amendment was suggested
by the Chief Plague Officer, Bangalore after
practical experience had proved the in-
convenience of the existing form.

To obviate this inconvenience caused
to arrivals, especially to those by Rail
due to their being detained while the
three separate forms of the old observation
notice were being written, I have sanc-
tioned the introduction into Bangalore
city of the new form which by the use of
carbon

carbon paper admits of ^{the} three forms
being written at one time and it is
now in use there, and I trust that the
Government may be pleased to
approve of the same

I have the honor to be
Sir

Your most obedient servant.

Extract from Revised Regulation 3A. published under Notification No. 1890, dated 25th July 1898. —

3 A. Every person arriving from any place declared to be infected shall be liable to daily observation for ten days next after arrival by the local authority of the Town or Village where he may be.

Explanation.—By a "local authority" is meant any of the following officers:—

- (a) The Local Medical Officer;
- (b) The Station House Officer;
- (c) The Patel of the Village.

In places where there is more than one local authority the duties prescribed in these rules shall be performed by or with the permission of the Deputy Commissioner under the orders of the Officer who stands first in the order given in this explanation.

Every person arriving from a place infected place shall declare truly his name, address, and such other particulars as may be required by the Officer issuing the notice, and shall report forthwith to the local authority mentioned in the Notice any change in his residence occurring within ten days from the date of arrival.

It is open to any local Medical Officer or officer higher than a Station House Officer or Patel to change an observation notice which provides for observation of a person himself before a local authority for observation into a notice under the local authority of his own residence. When the notice is so changed the officer changing it shall note the fact on the Notice and sign such note and give the designation of his office.

Any person disobeying or contravening or refusing to submit himself to any Regulation made under the Epidemic Diseases Regulation 1897 or obstructing any measure which has been taken by Government, or which any authority or officer appointed under competent authority to carry out such Regulation has been empowered or required to take under any such Regulation, shall be deemed to have committed an offence under Section 188 of the Indian Penal Code, and shall be liable on conviction to imprisonment for a term which may extend to six months or fine which may extend to Rs. 1,000 or both.

Extract from Revised Regulation 3A. published under Notification No. 1890, dated 25th July 1898.

Extract from Revised Regulation 3A. under the Epidemic Diseases Act, 1897, dated 25th July 1898. —

3A. i. Every person arriving from any place declared to be infected shall be liable to daily observation for ten days next after arrival by the local authority of the Town or Village where he may be.

On the arrival of a passenger from an infected place, the Local Medical Officer or other local authority shall forthwith give written notice in such form as may be prescribed to the person himself for daily observation for ten days at a place specified in the notice. The notice shall be delivered or tendered to him on a receipt signed by him. If the person is so served with a notice, he shall be liable to daily observation for ten days next after arrival by the local authority of the Town or Village where he may be.

- (a) The Local Medical Officer;
- (b) The Station House Officer;
- (c) The Patel of the village.

In places where there is more than one local authority, the duties prescribed in these rules shall be performed by or with the permission of the Deputy Commissioner under the orders of the Officer who stands first in the order given in this explanation.

Every person arriving from a place infected place shall declare truly his name, address, and such other particulars as may be required by the Officer issuing the notice, and shall report forthwith to the local authority mentioned in the Notice any change in his residence occurring within ten days from the date of arrival.

It is open to any local Medical Officer or officer higher than a Station House Officer or Patel to change an observation notice which provides for observation of a person himself before a local authority for observation into a notice under the local authority of his own residence. When the notice is so changed the officer changing it shall note the fact on the Notice and sign such note and give the designation of his office.

Any person disobeying or contravening or refusing to submit himself to any Regulation made under the Epidemic Diseases Regulation 1897 or obstructing any measure which has been taken by Government, or which any authority or officer appointed under competent authority to carry out such Regulation has been empowered or required to take under any such Regulation, shall be deemed to have committed an offence under Section 188 of the Indian Penal Code, and shall be liable on conviction to imprisonment for a term which may extend to six months or fine which may extend to Rs. 1,000 or both.
